Dear Thad:

I am writing this letter to commend you and your employees on the great work you did on the construction of my bathroom. The work performed was superior than your competitors. Your employees were on time, competent and diligent. Your employees did additional work which detected a gas leak that would have been a major problem in the future. Even the city inspectors commented how well the work was performed.

I would recommend you and your company in a heartbeat. If you want your plumbing done right the first time, call TLC Plumbing.

If you have any questions, please feel free to call me at the above number.

Thank you

Melville J. DaCosta
